That's why today as well, with faint expectation I continue on praying
Since I met you for the first time,
I knew that this day would eventually come
If it's the case that my feeling is an unforgivable emotion ...
Right...
Together with the gentle morning rays...
The truth that can't be hidden is dripping out of those ordinary days

Haa
Why am I like this?
Seems like the accident 2 years ago really screwed up my head
That's right I, Kurashiki Taiga Have no memories prior to 2 years ago
むぅ～ん…
It seems that from the shock of losing my parents in the accident 2 years ago I've lost my memories
… Since then, Tsubame Nee-san has been taking care of me by herself …
But even then to develop interest in my own sister is
はぁ～
under common sense it would be strange
!
…. is your stomach not feeling well?

Though it's the usual thing, the way she sees you off is very excessive ~
She's very concerned about you, isn't she?
Rather then concern she's just treating me like a child
But being treasured isn't such a bad thing right?
It's not that annoying anyway
Well yeah
treasured huh?
Thanks to that, I got a bit of tasty memories anyway
"tasty"?
just what are you talking about?
Ah! You see ...
Breakfast is afterall tasty right!!
So pretty is she an actress?
Hey, who's that beautiful person?

It's just siblings's skinship!

Noo~
Kurashiki-kun's a pervert!!
Kura-shiki you bas-tard!!
I'm envious dammit!

Please ...
Please just leave me alone !!
he's running away
?
idiot
It's over
I get the feeling that my peaceful school life is over
Certainly the whole class must know by now
No it's a mis-under-standing

Oh right, after the class strange rumors are going to spread to the neighborhood too
In the end my youth is falling into a slump~!!
Argh ~ now that it s come to this I don t care anymore !
Making fun of me? Calling me with some strange names?
Just do as you like..
!?
The throbbing is not stopping...!?
What the hell is this... my heart hurts...
Argh
What's What's this...?

ザクッ
ザクッ
ザクッ

If it's really the case "they" should be able to sniff out that power
maybe... it's possible that the "heart" inside him has awakened
since morning he's been acting strange...
Taiga-kun
I wonder what happened...
ぎゅう
!!
this reaction is...!
Taiga-kun!?

.... I want strong ... feeling ... emotion ... fragment !
Huh ... What?
Wha ... What the hell is that !!
this is that thing's voice ?
... at last I found it ...
Behave your-self!!
What the hell are you talking about ...
found what?
Hey I don't know the likes of you!
It ... it's angry !?

GORRRN!!
!
!!
How did you know my name ?
That voice don't tell me ..
Taiga-kun are you al-right?

Tsu-bame Nee-san !?
キン!
Why is Nee-san here
Also, what's with that ap-pearance~?
……
It's cosplay?
no?
It's the usual Nee-san!!
ガーン!
I'll explain the situ-tion briefly ...
but first, let's get out of here
ハァハァ
About that "monster" and me ...
ズズ

That monster's target is Taiga-kun
What!?
Why me!?
It's because it's after the unique energy that Taiga-kun gives off
Galaxy Federal Bureau of Investigation calls it the "Origin Heart"
yes actually I am
origin ? what's that?
Ga galaxy fed ?
an alien
Hoe?
yeah... right
you're joking right Nee-san ...
.....

Origin Heart
is the "emotion power" that is born from the wave of feelings But right now it's running out of control
the Emotion energy being produced is why the monster is after Taiga-kun
Ru
Running out of con-
is that why my heart's throbbing non-stop?!?
"Fade Jump" !?
Just what is this thing
Just now it was still behind us
if it can travel to different space instantly, then
we can't run away from them' !?

Agh
//
wha what are you saying!?
I can't just leave Nee-san like that //
I... I'll hold it back here
quickly run away, Taiga-kun ... !

Nee
-san
!!
Hold on
to my
shoulder!
I'm
alright
don't
worry...

Wa Wa!!
Sorry Nee-san, I didn't do anything
... it seems that fate can't be changed?
even though it s just a piece of unrequited dream
I want to protect you
please touch

huh?
Please!!
just now what did Nee-san say ?
...I want you to
"touch" me ...

What are you saying in this situation!? We need to run away first!
Wha ...
メキ
Wherever we run to, that large energy emitted by the origin heart is bound to be found!
But if we can transfer that heart energy into my suit
.....
that's why please .....
...believe in me!!
... I
I under-stand, Nee-san...!
So so so I'm sorry!!
but then where else should I
not there though
A ... ano ...

What I want you to touch is this orb
キン
this is the suit's power plant
it's the same with my dream
that time I woke up in the middle though..
but...
this is not a dream...!!
ギーン

ugh
thi this is !?
It s danger- ous, please stand back
ha

ヤラレっ
チュ!
キキキキキ
Cars, street lights, and stuff around are combined into weapon...!?
...I can't believe it, Nee-san...
are you really an alien...!?

Here I go!
Shoot !!

then is that the monster s !?
Nee-san did you beat that monster ?
this is their
"phantom s" true form
They are
!?
As of why Phantom changes into that kind of appearance, I don't know
but

even then I wonder if we can actually hide it forever
!
Phantom will definitely respond to strong emotion energy and gather to it
This time, by transferring Origin Heart's doki-doki power into my suit, we managed to somehow suppress it but ...
?
but don t worry
whatever may happen
I will protect Taiga-kun
.....

huh?
what is this feeling
oh no I have to prepare dinner !!
the heart throbbing calmed down
My heart feels peaceful ... such a gentle feeling
let s go home
ju just a little bit more!!
Is it wrong after all ?
I wonder if this is also because of Nee-san ...

Until recently I had been an ordinary high schooler you could find anywhere but
My name is Kurashiki Taiga
At school I was attacked by a strange "Phantom"
...
Tsubame Nee-san called herself an alien and transformed when things got ugly!!
It seems that the source of the problem lied on the "Origin Heart" inside of me that went doki-doki
Then, am I not allowed to "doki-doki" anymore!?

「ACT 2 笑顔の裏のキモチ」

The Feeling Behind A Smile

This thing called the Origin Heart exists inside of me...
It goes doki-doki and then phantom will come
I wonder if it's like a chain reaction
78
Actually I am an alien
Knock Knock
Seems like I have no choice but to ask directly
I don't get it...

Tomorrow If it's okay, would you like to go somewhere together?
eh... where to?
Tsubame Nee-san
what is it?
?
There's something I'd like to talk about
We'll have to walk a bit but that indoor pool seems to be popular
... Pool !?
ah... well
yeah, sounds good
Pool even though it's winter
Then it's settled!
... okay? ♬

"If you're lucky enough to succeed in getting first contact, ..
"then that time you should come to contact with curiosity similar to first love"
hmm
It's all the usual stuff
communi-cation ... then just what kind of thing should I start talking about ?
why am I reading this kind of book in this kind of place ...
in the first place, I don't know much about girls ...
Shit
This thing is useless!!
Sorry to keep you waiting

This swim-suit does it look strange?
e ah nope!
It suits you great!!
Thanks ♡
Let s swim then!!
Huh ?

Tsubame Nee-san should've known that night?
That I well can't swim
Wai ... Wait a minute Nee-san!!
It's not good this way
Just leave that to me!
I've already done some preparations afterall ♡
なんか不安感じます

Text: I have a bad feeling about this ...

Drowning is not a rare thing
Don't worry! Around here is the junior area so it's shallow
Let's first start by getting used to water, Taiga-kun!!
a, aa...
Nee-san... I'm feeling very embarrassed...
it seems that only kids are doing this around here
What I mean is not about that though
If I never saw that transformation, I wouldn't believe that she's an alien
I remember the book mentioned that aliens can be very similar to normal humans
!!
But looking at her like this, she's no different from a normal human...

whoa
Nee-san is very close !!
?
this is quite a nice situa tion !?
ばしゃばしゃ
GOAH BLURP BLURP BLURP BLURP BLURP !! !
ah ... you can stand on your legs so just calm down!
おたふく

Please don't feel that disappointed
If you train, I'm sure you'll be able to swim
that's not true
maybe my body is not built to swim afterall
Eh ?
Is it a special training in case a Phantom comes?
yeah we~ll
But why suddenly go swimming anyway?

When summer comes, it would be great if we can swim together
That s what I thought
♬
I forgot that Tsubame Nee-san is this kind of person

. But actually I feel a little relieved ...

Since
afterall
Nee-san
stays as she
usually is
gentle and
kind,
though she
also has some
weird traits
definitely not cute
...it's just
that some-
times ...
She smiles with
lonely eyes
It makes
me a
bit
anxious

What's the matter Nee-san?
It seems like you're feeling down ...
Are you tired?
Huh !?
ah ... no way
I'm alright
See ~ I'm totally fine ~~ !!
.... Maybe I asked her wrongly ...
If I think about it, I can be a easy reply
but .... yeah right ...
I'm fine kay ?
Is there any place where we can rest around here
Ah !

the stairway is a little long but...
beyond here there's something I wish to show to Nee-san!
Just a bit more. Let's keep it up!!

waa
The scenery from here is very pretty
Sometimes I stop by on the way home from school
Looking at it like this,
All the fuss from last time almost feels like a dream
dream
that's right

actually
it would better if it were all a dream ...
Actually I wish Taiga-kun never know about anything ...
About the Ongin Heart, Phantom from the space, and also
me ...

If by not saying anything about it, we can live a normal, peaceful life
!!
Rather than the painful truth I've been protecting the lies ...
wh what's wrong Nee-san!?
.....
don't you understand?
I have always been telling myself so
If I had told you all this earlier, ...
Taiga-kun wouldn't be exposed to unnecessary dangers ...!!
!!!
!!
ばっ!

... I know I've been saying selfish things
but ... it's painful to look at Taiga-kun worrrying by himself
I will definitely do something ... so please give me just a little more time
no matter who I am,
where I come from ...
#!?
because only this feeling of mine
will never change ...

……
ハッ!?
!?

It's true that I'm surprised by the fact that Nee-san is an alien but
today I understand that Nee-san is afterall who you are ...
Stop it Tsubame Nee-san
!
So don t get all senous now
It may be just an ordinary wish but
I want Tsubame Nee-san to stay as you are
yes
yes

That even though I said that I will protect Taiga-kun
In reality I'm not that dependable and
I I'm really hopeless !
Taiga-kun would also be disappointed having person like me as Onee-san wouldn't you?

Well well Since Taiga-kun is kind ...!

Taiga-kun, please take care of Haruka-chan!

ウキキキ!!

This is my own impression but
What is causing Nee-san to worry so much
that she has to stand beside me all the time
is Probably because of the "Origin Heart"

But afterall I don't want to involve people who have nothing to do with this
until this condition of mine is cured
I want you to keep this a secret
キキキッ!

Here I go ...
SLA SH!!

Explain to me will you?

Explain to me will you?

phew
received an explanation
"Origin Heart" and the Phantoms that are after it huh
it seems like ... you can't accept it huh
I get headache.
Ofcourse,
it's ridiculous!!
It's like some bad manga story!!
.... I understand that ...
?
but ... it's not like I'm not accepting it
Being shown such a thing

Tsubame-san being near Taiga-kun is
not something that started recently
Because
!!!

I wonder
... Since a long time ago, that person
Maybe Haruka is angry?
has been ... protecting you all along
Are you angry ?
Dunno!
Tsubame Nee-san
You see, I'm not participating in the match
In the first place, I'm not a club member
Huh !?

this guy
Hahaha, Sorry to trouble y
Hi!! I'm in the 2nd year of Narukami Highschool, member of Volley club. Misahara Haruka!
I'm Haruka's classmate Kurashiki
It all started when I called this guy to help out the Volley club
Somehow, a monster suddenly appeared in the sports hall
On top of that, Tsubame-san, who accompanied us, also transformed!!
Huh? Is this a TV Show!? That's how I felt
but actually I kinda like this kind of stuff ♡

ACT 4 知らない今日の、ありがとう

For Today That I Don't Know, Thank you

Here I go!!
Wha
Haru ka?
... Taiga-kun !!
so the sports hall can already be used again?

It was really terrible!
Because of the ruckus earlier, the sports hall was practically Destroyed
even the volley club members got interrogated
It's Only recently that we're able to practice again, you know!?
well, it's not really my fault
where are you fonking huh!?
Don't run away, Hey!!
But well it's okay
Since Tsubame--san
was looking quite cool
Huh ?

When she transformed, her expression looked so cool
Don't you think she really feels like a transforming hero?
I quite like something like that
But usually she conceals it under her usual daydreaming face
It's wrong, somehow that just feels wrong
Is that adoration?
ほえ
oh yeah something heart was it?
ah
I asked Tsubame-san but didn't quite get it
what is it actually?
she said that inside me there's this "Ongin Heart"
ho
if it goes doki-doki, it is manifestated as a strong energy
and the result is, it draws in Phantoms or so it seems
I don't know the details
もそもそ

wha
What the hell are you doing!?
doesn't seem like anything is weird though?
もぞもぞ
so is it going doki-doki?
IT IS!
of-course it would
!!
hm? The heart-beat is going faster?
he~ so you do see me as a girl? ~
Stop that!!

Iya~n You're a beast~

I said Stop it
Please don't touch the dancer
Service~ Service~
Lo~ok Lo~ok
He~y Look
This girl has to be a man then is she
I'm joking alright!
I know you can t do such an outrageous thing!!
Ah, right ...
I also got this question lingering in my mind
Taiga-kun and Tsubame-san ...
Since when did you two become siblings?
Then
Then!
Tsubame-san is ... alien right?
That s what she said herself ...

huh?
Haruka what are you talking about?
nya
Huh
Mimi!
Why are you soaking wet
Hm ?
I'm home !

Is there anything special today?

Why
bathe in

Since it had been a while I was organizing the warehouse
I'm really sorry
There I saw Mimi on top of the shelf
Nya
Mimi
When I was trying to catch Mimi, the shelves crumbled
ah
Normally it wouldn't happen but it's now it's Nee-san
It's not about that
So the dust is the cause of the bath
nya nya
Nee-san
You see

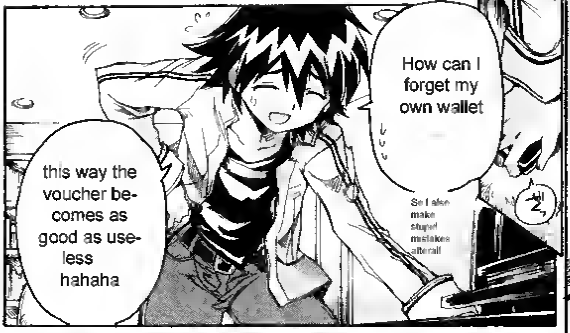
There's something that I need to ask...
Yes...? What is it?
It's rather hard to ask but...
Are Tsubame Nee-san and I... are we real...
Ly
I?
Hello~!!
Wait a second Nee-san! Don't go with that kind of appearance!

Such a look in this cold weather
Wha ... What ... were you two doing ?
As you can see, a movie voucher!!
Haruka, what is this ... ?
We're going to have some de~ep girl conversations in the house so
Since you're a hindrance, please go to the movies ♬ alone
Wait ... That s just self-ish!!

Not just Haruka but also Nee-san
so sud-den-ly
that's mean
Sorry Taiga-kun
was told to change clothes
Only for a little while please
Nee-san and Haruka are
IDI OT S!!!
.....
"Idiots" huh... is this kid's quarrel or what !?
I think I saw some-thing like this earlier

That Haruka ... what is she think-ing!?
Suddenly coming and chasing me out
Nee-san too
What is she dis-cussing with Haruka ...?
ah this is the movie
All All War!
大怪獣世界戦!
Monster film...
Even though I've wit-nessed real monsters
Eee~ Are we really going to watch this kind of movie?
Why not? It looks interesting

... Stuff that I actually know but normally never think of
Sometimes just come across my mind
... What does Nee-san think of me?
To Tsubame Nee-san, just what am I ?
The movie is going to start soon next customer please?
ah yes!
If it s as lovers her guard is really too open
With voucher, 1000 yen for one person please
.....
Huh ?



How can I forget my own wallet
Ehh
So I also make stupid mistakes after all
this way the voucher becomes as good as useless hahaha

but
I feel that somehow I did some poor things to Taiga-kun

It's alright!
I can't believe he actually forgot about what today is!!
Ah~ mou!!
Tsubame-san spoils Taiga-kun too much!

Only for today we have to make him endure it for a bit!
He should be watching the movie now
In the first place I can't say that I'm learning cooking from Tsubame-san
うーん
13th Feb just what day is it?
not Valentine though
that one is definitely on 14th
Today huh ?
Am I not supposed to be here today?
It's also marked on the calendar
Thankyou very much Haruka-chan, doing this for Taiga-kun today
wha

I think that it would be nice if Taiga-kun s girl-friend is someone lively like Haruka-chan
Is that so?
It ... it s not really my intention ...!
It s just something I m doing on a whim!!
Please don't tease me!!

Oh yeah ... how about Tsubame-san your-self?
Me?
!?
Because Tsubame -san ...
is not related to Taiga-kun by blood right?
ず!

Haruka-chan... You knew about it!?
Well...
...If Tsubame-san and Taiga-kun are siblings, then if you're both alien that'll make sense
Ha... Haruka... you
But Taiga-kun is human right?
.....
It's as Haruka-chan said
Taiga-kun and I are not really siblings
How-ever

However
To me
He is my only, precious
younger brother
...

That part is somehow strange ...
Since Taiga-kun and Tsubame-san are not siblings ....
Then how come you two live together?
In the first place, why does it have to be as siblings anyway ....?
If it s Taiga-kun, you should know it right?
ah, but it's not that it shouldn't be done or what
... Sorry Haruka
I ... cant answer that question
Because ... I have always been living with Tsubame Nee-san as siblings
In any case my memories prior to 2 years ago
have disappeared

whoa
Pretty ... !!

I wonder if all aliens... are this pretty?
...I'm a bit jealous, maybe
just kidding
Haruka-chan
...What Nee-san said is definitely not a lie
I also think that it's a blissful thing to be a younger brother of such a kind person...

But that can't be the reason to always protecting me
Because except for that one thing I'm not worth anything
If the only reason Nee-san stays beside me is
to protect "Ongin Heart" from the phantoms
If "Ongin Heart" were to disappear from inside of me
I wonder if Nee-san would disappear from my side
hm?

Thankyou very much Haruka-chan, doing this for Taiga-kun today
HAPPY BIRTHDAY!
Is today, by any chance ... !!
Tsubame Nee-san !

HAPPY
BIRTHDAY

I forgot it completely, today is my
birthday ...
That's why Nee-san ... and Haruka too
Haha ... I see
.....

For now .... it's still okay.. right? Nee-san ...

Story

Do you have any siblings? Me, Kurashiki Taiga, have troubles about Tsubame Nee-san. Beautiful and kind, even though a little scatter-brain, Nee-san and I have lived together since my parents died ... Even though my classmates are saying that they envy me, it's rather hard to me since I always go doki-doki of Nee-san's casual behavior everyday. Moreover, that doki-doki is proved to call upon space monsters .... I wonder if it's a sin to feel doki-doki to my own older sister? Doki-doki Ane comic is finally, starting.
